The Annual Quality Assurance Report (AQAR) of the IQAC

Bijoy Krishna Girls' College

Year of Report:2006- 2007

This is particularly a significant year in the history of the college. The institute is going to celebrate diamond jubilee celebration of Indian Independence, the college has also reached the 60th year of its functioning. This sixty year old institute, however, has never been suffered from any kind of stagnancy. Development works continue in every moment. The vibrant sixty under the leadership of principal Dr.Tapati Mukherjee is engaged in more upgraded programmes .The institute is preparing to get accreditation from the State Government too.

PART-A

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved at the end of the year:

The IQAC was formed officially on 9.11.05 after being accredited by NAAC. It consists of the following members:

1.Dr.Tapati Mukherjee,Principal-Chairperson

2.Prof.Reena Sengupta ,Coordinator IQAC

3.Senior Administrative Officers :-

- i. Prof.Asoka Banerjee, In-charge of Academic affairs
- ii. Prof.Rama Roy, In-charge of Examination
- iii. Prof.Manjusree Ghosh, In-charge of Student Welfare
- iv. Prof.Sikha Majumder, In-charge of Planning and Development
- v. Dr.Subha Chandra, In charge of Computer Centre
- vi. Sri Monimohan Bhattacharya, Head Clerk and in-charge of office Matters
- vii. Sri.Birendra Kumar Singh,Caretaker and in-charge of Estate

4.Teacher Representatives :-

i.Prof.Suparna Das

ii.Dr.Yudhisthir Hazra

iii.Prof Sarbani Guha Ghosal

iv.Prof.Soma Chandra

v.Prof Sweta Guha

vi.Prof.Ranen Bhattacharya

vii.Prof.Amit Majumder

viii.Prof.Nabin Kr.Jana

5.Members from the Management

Sri.Gopal Mukherjee,President,Governing Body and Mayor,Howrah Municipal Corporation.

Main targets for this year

1.Computerisation of office and library

2.All time internet facilities in staff-rooms and libraries

3.Planning for construction of girl's hostel

4.Extension of 3rd floor of G building of the college

5.Introduction of Journalism and Mass Communication as an elective subject.

6.Organizing academic seminars and workshops

7.The expertise of the faculty members for providing consultancy services in various fields can be explored through adopting a consultancy policy by the college

8.Upgradation of teaching-learning process by introduction of ICT teaching methods in more and more departments.

9.Encouraging more and more faculty members to be engaged in research works.

10.Participating in community outreach programmes.

11.Proper functioning of the guidance and counseling cell for betterment of students

Outcome achieved in 2007:

We could achieve a few of our cherished goals in the form of :

1.Synchronizing a nearly perfect academic calendar in tune with the norms set up by the University of Calcutta.

2.Promoting research through conducting 1 UGC major and 8 minor projects

3.Introduction of a new subject viz. Journalism and Mass Communication in the regular curricula of the college.

4. Successful placement record of students to different schools after being trained from B.K.Girls' College Academy of Competitive Examination or passing out from our B.Ed Department.

5 Finalization of agreement regarding the construction of Girls' hostel with Howrah Municipal Corporation and finally taking a concrete step towards the construction of the Girls' Hostel.

6. Successful organization of five academic seminars

7.Organizing career campussing through Wipro .for outgoing students.

8.Partial computerization of office

9. Initiating Internet facilities in library

10.Our attempt to 'reach the unreached' through organizing free medical camps in remote villages of Howrah district and literacy programmes for uneducated poor had helped us to fulfil our social commitments.

PART-B

1.Activities reflecting the goals and objectives of the institution

The college ,financial and other constraints not withstanding, offers a plethora of facilities and is dedicated to the task of developing both intellectual and human acumen in its students – the ultimate objective being enable them to make significant contribution for the upliftment of the society at large.

2. New academic programmes initiated (UG):

Journalism and Mass Communication Course (General) is being introduced from that year

3. Innovations in curricular design and transaction

Remarkable innovations had been demonstrated in framing the syllabus and curriculum of the UGC sponsored carrier orientated first degree courses. The courses are:

Arts and Social science :1.Guidance and Counseling
2.Travel and Tourism
3.Nutrition

Commerce : 1.E-commerce
2.Foreign exchange trade
3.Insurance

Science : 1.Computer Application (Data Care Management)

2.Industrial Microbiology

3.Hospital Waste Disposal Management.(MOU has been signed with Peerless Hospital, Kolkata for conducting this course).

The related syllabus restructuring is done by our distinguished faculty members viz. Dr.Yudhistir Hazra and for Travel and Tourism, Prof. Soma Chandra for Nutrition, Prof Amit Majumder for E-commerce and Insurance ,Prof .Ranen Bhattacharya for Computer Application and Data Care Management, Prof.Bidyadhar Mondal for Industrial Microbiology.

4. Inter-disciplinary programmes started

Nine career oriented courses mentioned above are basically inter-disciplinary in nature. A student pursuing degree course in humanities stream can opt for Industrial Microbiology as a parallel certificate course according to her own choice.

5. Examination reform implemented

Since the college is affiliated to Calcutta University of Calcutta, it has to follow the rules and regulations implemented from time to time by the affiliating University. However a cumulative assessment procedure is followed for assessment of students. Performance is constantly monitored through 4 unit tests. Through this periodic assessment, weakness of individual students is identified and appropriate remedial measures are taken by holding tutorial and remedial classes. For advanced students, a few topics of advanced type are taught for enhancement of their knowledge for future courses .The objective of these exercises is to upgrade the weaker students and to motivate advanced students.

6. Candidates qualified: NET/SET/GATE etc.

Dr. Papri Bhattacharya, Psychology- SLET Qualified in 2007

7. Initiative towards faculty development programmes:

Since the college is keen to improve its academic standard, it always encourages faculty development programmes. Faculties are released from the college as and when needed to enable them to pursue Ph.D or post-doctoral research work. They are also being encouraged to publish more and more books and papers on their research activity.

It is noteworthy to mention that this year our college has also arranged for computer training programme for our library staffs to make them computer proficient for smooth running of a computerized library.

Faculties received Ph.D. or any other relevant degree or registered for the same

23. Course in which students assessment of teachers is introduced and the action taken on student feedback

In all Honours courses feedback from outgoing 3rd year students had been collected and reviewed .Following aspects are mainly covered during data collection :

TQ represents **teaching quality**; **SIN** represents **sincerity**; **IM APP** represents **impartial approach**; **OV INV** represents **overall involvement**; **FLS** represents **feedback on lab-based subjects**.The teachers names are used in abbreviation

STUDENTS' Appreciation: 1. > 85%, 2. 75-85%, 3. 65-75% ,4. < 65%

24. Unit cost of education:

Rs.1746/ (including college paid salary component)

Rs. 1325/ (Excluding college paid salary component)

25. Computerization of administration and the process of admissions and examinations results, issue of certificates

All administrative works are fully computerized Admission selection, staff salary, financial programs are done with the help of specific computer softwares.

Examination results were published manually in this year too but computerization is going on.

26. Increase in the infrastructural facilities:

UGC had approved Rs 1 crore for construction of a Girl's Hostel in the college premises and the project has already been started. The first instalment of Rs.50,00000 has been already received by the college and process of plan sanction completed accordingly..

Another room sponsored by B.K.G.C:S.S.C. Training Centre (presently called Academy of Competitive Examination) was constructed for accommodation of Xerox machine in the ground floor of G building.

Extension of the 2nd floor of G building completed for extension of geography department. Construction of the third floor in the same building is also in progress.

27. Technology upgradation:

Beside the old black board mode of teaching new audio-visual method to be installed for regular class room teaching according to the need of different departments. Microphones have also been arranged in many class rooms for the benefits of both students and teachers. Computers with internet connection are available in many of our departments with free access to the students to enrich their knowledge in different subjects.

28. Computer and internet access and training to teachers and students

The college has a full fledged computer lab consisting of 20 computers. Apart from that the general staff room is going to be provided with computers with printer along with 24 hours internet access .

To make students computer literate, short term courses are regularly conducted by Computer Engineers, a Govt. organization having study centre in the college. Apart from that a full fledged UGC sponsored certificate course on computer data care management is being conducted by the college since 2005.Nowadays the faculty members of the college are also mostly computer literate.

29. Financial aid to students:

Apart from scholarships for meritorious but poor students and SC/ST candidates funded by Govt. of West Bengal the college offers full and half free ships to poor students.

No.of Students with Full free ships - 08

„ „ „ half „ - 16

S.R.Mukhopadhyay scholarship- Rs.6500/- given to 2 meritorious but needy student , Sayantika Dutta and Brihaspati Sardar from Feb.'07 - Feb.'08 @ Rs.250/- per month .

30. Support from the alumni association and its activities;

This is an important event of the college which deserves special mention. The Jt.Secretaries of the College Alumni Association, Prof. Shelly Roy of B.Ed Dept. and Prof. Mithu Mallick of Bengali Department, initiated a noble move and a sum of Rs.15000 has been collected and deposited in the bank in order to provide financial support to a student on merit cum need basis.

The Alumni association , “Ujjibani”,regularly celebrates its Re-Union function ‘Punarnava’to facilitate the process of interaction among old students. Usually as a part of the function they also organize exhibition cum sale of various handloom and handicraft products along with different cultural programs..

31. Support from the parent-teacher association and its activities

This is an important event of the college which deserves special mention. In order to improve the attendance of the students in classes as well as to maintain discipline and uplifting the academic standard, the interaction of the teachers with parents is considered to be quite necessary. Parents on their part find it beneficial to meet the teachers and assess the performances of their wards. An Academic Committee is always working and arrange guardian-teacher meet from time to time in cooperation with the heads of different departments. Several suggestions regarding effective teaching-learning process, augmentation of library facilities, better utilization of space etc. emerges from healthy interactive session among teachers and guardians

Moreover a very novel and innovative method has been introduced by the college authorities with a view to plug in whatever loopholes might be existing within the network of academic system. Our students can directly interact with the principal whenever they feel necessary. This is one of the best practices of the college in addition to the original method of teachers’ evaluation by students.

32. Health services

The College has arranged elaborate health services for our students. We have direct contact with the Student Health Home working from Bhabani Balika Bidyalaya Howrah . Students can seek any categories of medical assistance from the state run organization at a nominal rate. Beside this the college provides doctors assistance to ailing students or staff or arrange for hospitalization whenever necessary.

Regular health awareness programs are also conducted for the benefits of the students .

33. Performance in sports activities:

The College encourages all kinds of sports activities. Every year annual sports are organized with zeal and enthusiasm. This year also the sports were conducted on 19th March at Howrah Corporation Stadium.

Outdoor Events--- 100m.,200ms.,400ms.run, relay race, balance race, shot put, discus throw, cricket, badminton etc.

Indoor Events--- Carrom,Go As You Like

In addition to the regular events many of our students have excelled in University level sports events too.

*** Ms Arpita Banerjee participated in the East Zone Inter-University Table-tennis Tournament (Women).

***Ms Pushpita Bera of our college represented the University of Calcutta in the NorthEast Zone Inter-University Volley Ball tournament.

***Ms. Debapiya Ghosh had participated in Swimming competition arranged by University of Calcutta.

**** Ms. Satabdi Paul had participated in track and field in Non-Govt. District Athletic meet and Non-Govt. State Athletic Meet.

34. Incentives to outstanding sports persons:

For proper encouragement of students , sports kits ,track suits etc. are provided to them in addition to prizes/certificates won by them for their excellence in different sports activities.

35. Students achievements and awards:

Result in University exam reflecting students achievements of Part-II Final under 2+1 system
